- Compare options wisely
- Understand insurance coverage
- Avoid hidden charges
- Plan your treatment budget

📍 **Clear your doubts today with Revive Dental Mississauga.**

Average Cost of Dental Implants in Mississauga (2025)

Here's the updated **dental implant cost breakdown for Mississauga** in 2025:

Type of Procedure	Typical Price Range (CAD)
Single Implant (implant + crown)	$3,000 – $4,500
All-on-4 (per arch)	$15,000 – $24,000
Bone grafting (if required)	$800 – $2,500

🔎 **Note:** Costs vary based on case complexity, materials (titanium vs zirconia), and additional treatments.

Factors Affecting Dental Implant Costs

Several key elements influence the **price of dental implants in Mississauga**:

- **Type of implant material** (titanium vs zirconia)
- **Preparatory procedures** (bone graft, sinus lift, etc.)
- **Number of implants** (single, multiple, or full arch)
- **Dentist's expertise & technology used**

- **Clinic location & operational costs in Mississauga**
- **Insurance coverage & financing options**

💡 At **Revive Dental**, we provide **personalized treatment plans** tailored to your budget and needs.

Insurance & Financing Options at Revive Dental

Wondering if **dental implants are covered by insurance** in Ontario?

- OHIP usually **does not cover implants**, as they're considered cosmetic.
- Many **private dental insurance plans** provide partial coverage.
- Flexible **payment plans & third-party financing** are available at Revive Dental.

---

Dental Implants vs Other Tooth Replacement Options

Option	Cost (approx)	Pros	Cons
Dental Implants	$3,000+	Long-lasting, natural look & feel	Higher upfront cost, involves surgery
Dental Bridge	$1,500 – $2,500	No surgery required	Affects adjacent teeth

Dentures	$800 – $2,000	Lower cost	Less stable, frequent maintenance

---

❓ FAQs – Dental Implants in Mississauga

1. How long do dental implants last?

👉 With proper care, implants can last **15–25 years or more**. They're more durable than bridges or dentures.

2. Is the procedure painful?

👉 Most patients report only **mild discomfort**. We use **numbing & sedation** for a stress-free experience.

3. Do I need a bone graft?

👉 Only if your **jawbone density is insufficient**. Our team conducts full assessments before treatment.

4. Does OHIP cover dental implants?

👉 No, OHIP usually does not cover implants. Some **private insurance plans** may partially cover them.

5. How quickly can I get implants?

👉 Depending on healing needs, the process takes **3–6 months** on average.
